# The Challenge

## Georgia's New Law Changes Skill Game Payouts

Effective **July 1**, Georgia operators can no longer pay Skill Game winnings in cash.

### BEFORE JULY 1

Cash payouts

Manual reconciliation

Security risks

Limited reporting

### AFTER JULY 1

Card payouts required

Digital tracking

Better compliance

Improved customer experience

### WHY IT MATTERS

Operators need a **compliant, scalable** payment platform that can be deployed **quickly** without disrupting business operations.

A NEW LAW. A NEW STANDARD. A **BETTER WAY FORWARD.**

# How It Works

Simple. Fast. Compliant.

-  Player wins at the Skill Game machine.
-  Winning ticket is presented to the cashier.
-  Ticket is scanned and validated.
-  BEST Payment Platform funds a secure prepaid Mastercard.
-  Card can be used anywhere Mastercard is accepted.

**30-60**  
**SECONDS**

Average Transaction Time
